Contestants do not seem to fully realize that the end of the contest is close at hand. Four more weeks and it will be a thing of the past. Every day that passes is a valuable one to the contestant who means business. This week is the most important one of the remainder of the contest because after midnight next Saturday night the votes on subscriptions decrease. Never again will your effort count as much as it will this week. Get busy and stay busy every moment from now until Saturday night and turn in every subscription in sight.
